Once We receive the above documents: we through our Delhi associates, will submit all the scanned copies of the above documents at the Saudi Cultural Attaché's Authorized Website. After preliminary verification of the scanned documents, Saudi Cultural will intimate to submit to them; the necessary DD for procuring the Independent / Third Party, Verification Letter for the Degree / Diploma from the respective University / Board.

Then the Saudi Cultural Attaché will directly contact the University / Board, for the verification of the Degree / Diploma.

Generally it takes about 3 months or more, to complete the Saudi Attestations once we receive all the above documents.

Special Note: 1. Nowadays Saudi Cultural Attaché is directly contacting the concerned Universities for the said verification letter. So it takes more time to complete the attestation – about 3 months or more. About this correspondence of Saudi Cultural and University – Saudi Cultural is not giving any update or follow up. So once the documents are submitted at Saudi Cultural, we have to wait patiently for about 3 months or more – until they respond.

2. Saudi Embassy / Cultural Attaché officials frequently change rules regarding the requirements/documents/ Verification Letters needed for Saudi Certificate Attestations. So, we ACS is not responsible for the unexpected delays caused by the last minute change / additional requirement put up by Saudi Authorities.
